# How To Update Registered Email Address : Step 2

Enter Mobile Number or Registered email and select log in

**Note: If you don't remember your registered email, please refer "How to recover your email address guide"**

# How To Update Registered Email Address : Step 3

Click on the  
"Update Your Email"

The screenshot displays the EWAD Device Care user interface. At the top left is the EWAD logo. At the top right, a user profile dropdown menu is visible, containing the options "Update Your Email" and "Logout". A blue arrow points from the text "Click on the 'Update Your Email'" to the "Update Your Email" option in the dropdown. The main content area features a "Welcome To EWAD Device Care" message. Below this, there are two prominent buttons: "Register Claim" and "Track Claim Status", each with a right-pointing arrow. The background of the page is a dotted world map. At the bottom, the footer text reads "@ EWAD. All Rights Reserved."

# How To Update Registered Email Address : Step 4

Input  
"New Email ID"

The screenshot displays the EWAD website interface for updating an email address. At the top left is the EWAD logo. The top right features a user profile icon and a language dropdown menu set to 'EN'. The main heading reads 'UPDATE YOUR EMAIL'. Below this, there are two input fields: 'Current Email ID (Verified)' and 'New Email ID \*'. A blue arrow from the external text points to the 'New Email ID \*' field. Below the input fields is an orange 'Next' button with a right-pointing arrow. The footer contains the text '@ EWAD. All Rights Reserved.'
